Development**

**Results**

Elaboration and implementation of PBG

- Documented concepts of PBG mechanisms
- Establishments of new mechanisms of PBG at each partner HEI
- Sustainability strategies how to maintain and further develop the partnership
- Evidences of effective functioning of PBG (agreements between stakeholders, changes in curriculums, involvement of VET teachers into vocational teacher education at universities)

**Timeframe: 15.05.2020-15.01.2022**

## Discussion questions (Session 3)

- How to develop networking in Ukrainian HE?
- What ideas do UA partners have about the partnership with stakeholders?
- What resources are available?
- Which support is necessary from the project partners?
- To which extent is equipment helpful and necessary in creating such partnerships in form of centres of excellence, hubs, clusters etc.?
- How will the influence of such partnerships be monitored (enrolments of students, surveys on quality of courses, surveys of stakeholders?)
- How to create a network of HEIs involved in vocational teacher education in order to share the experience?
- What the role does the MESU see in such networking?

## Discussion questions (Session 3)

If time available:

- Design and launching the online platform (working title “Partner’s Space”) (to accomplish within 9 months by June 2021)?  
Task leader: IVET with obligatory involvement of the MESU as WP leader, UA HEIs as partners.
- Initiating the network (community, association etc.) of HEI involved into VTE?  
Task leader: UEPA?
