

PAGOSTE

PUBLIC UNION
«ASSOCIATION ON VOCATIONAL AND CONTINUOUS EDUCATION
DEVELOPMENT»
'AVCED'

University of Konstanz

Ukrainian Engineering Pedagogical Academy

Co-funded by the
Erasmus+ Programme
of the European Union

PAGOSTE

In order to promote and test the results
it is proposed to launch the 'PAGOSTE' project
PU «Association on vocational and continuous education
development» ('AVCED')

Co-funded by the
Erasmus+ Programme
of the European Union

The purpose of the ASSOCIATION is

- promoting the development and popularization of vocational education in Ukraine, professional growth of the teachers who are capable to carry out their professional activities on the basis of humanism, democracy, free competition and high technologies, in the process of their constant improvement as well as to provide continuous education of citizens implementing practical educational policy as a priority function of the state, also the realization and protection of the rights and freedoms, satisfaction of professional, scientific, social, cultural and other interests of the ASSOCIATION members.

The main tasks of the ASSOCIATION:

- promoting the development and popularization of vocational and continuous education in Ukraine;
- assistance in strengthening and improving the training of highly qualified specialists for the vocational education system;
- assistance in establishing creative and professional contacts between institutions of higher education, institutions of postgraduate pedagogical education, scientific institutions of the National Academy of Pedagogical Sciences of Ukraine, public pedagogical organizations, etc.;
- promoting the creation of the proper conditions for active professional activity of its members;

The main tasks of the ASSOCIATION:

- in accordance with the legislation of Ukraine, participation in the formation of vocational and continuous education policy in Ukraine, including the development of draft legislation, draft state concepts, strategies for the development of vocational and continuous education in Ukraine and their implementation;
- promoting the development of the Union members' potential and their activities in the territory of the country, expanding the opportunities for their professional development

The main tasks of the ASSOCIATION:

- assistance in providing advisory and methodological assistance in matters of vocational education and continuous education to members of the Union, other organizations and institutions;
- promoting the creation of databases on vocational and continuous education and the dissemination of this information in Ukraine and other countries;
- promotion of national, regional, interregional and international congresses, conferences, symposia, seminars, round tables, exhibitions, fairs and other events (winter and summer school) on vocational and continuous education;
- assistance in the organization of international cooperation on the development of continuous pedagogical education, in particular, exchange of experience, implementation of joint educational and research projects

The main tasks of the ASSOCIATION:

- assistance in the implementation of research and information and educational activities;
- assistance in providing information support to the statutory activities of the Union;
- promoting cooperation with international governmental and non-governmental organizations, educational institutions in the field of vocational education of other countries, including the implementation of joint international projects and programs;
- in accordance with the legislation of Ukraine, assistance in the publication of methodological, reference, informational and other materials; disseminating information about their activities and promoting their purpose.

ASSOCIATION STRUCTURE:

- General meeting of the **ASSOCIATION members**;
- **Board** of the ASSOCIATION;
- **Chairman of the Board of the ASSOCIATION** and his **deputy**
- **Executive Director** of the ASSOCIATION

It is planned to involve in the Association:

- higher education institutions
- vocational schools
- employees of vocational schools
- professional higher educational institutions (technical schools and colleges)
- employees of professional higher educational institutions (technical schools and colleges)
- employers (stakeholders)
- public associations
- community representatives

The main question:

- What is the difference between our public union and other existing ones in Ukraine today?
- We suggest to emphasize the professional training of teachers-engineers for vocational education institutions and, with the help of the Association, to address urgent needs in this area.
- The second main area will focus on continuous education, which will promote professional development throughout working life.

We invite you to join the discussion on the main tasks of the future public union

For example,

- Who do you think should be involved in the Association?
- Do we need to expand or narrow the goals and objectives of the Association?
- What forms of the public association activities would you suggest?
- How much do you think membership fee should be?

**THANK YOU FOR YOUR
ATTENTION!**
