International Forum "Professional education for the post-war reconstruction of Ukraine - Peremozhnytsia"

Posted on October 14, 2022 at 11:05 am

On October 11, 2022, the International Forum "Professional education for the post-war reconstruction of Ukraine - Peremozhnytsia" took place in Dnipro. The Forum was attended by: **Anatoly Kinakh**, head of the Ukrainian Union of Industrialists and Entrepreneurs, **Volodymyr Orlov**, first deputy head of the Dnipropetrovsk Military State Administration, **Viktor Sergeev**, head of the Federation of Employers' Organizations of Dnipropetrovsk region, **Vitaly Dubil**, head of the Dnipropetrovsk Regional Union of Trade Unions, representatives of the Federation of Employers of Ukraine, the National Qualifications Agency, regional employment centers, educational institutions, public organizations, scientists, employers.

The German experience of the dual system of vocational education for use in modern Ukraine was presented by **Thomas Günter Lambusch**, **Günter Treppe**, **Martin Struhle**, experts of the Economic Education Center of the Federal State of Germany Mecklenburg-Western Pomerania and SEQUA. The experience of integration of national refugees in Georgia was highlighted, by **Elen Maharashvili**, deputy head of the Georgian Association of Employers "GE". **Olena Beh**, senior expert on human capital development of the European Education Fund (ETF), reported on the pilot project in the Dnipropetrovsk region regarding the implementation of the European experience of micro-accreditation for accelerated professional training of youth and adults. She spoke with the report "Vocational education in Ukraine - responding to today's challenges". **Iryna Shumik**, Director of the Directorate of Professional Education of the Ministry of Education and Science of Ukraine. Reports on the results and vision of the prospects for the modernization of professional education in the interests of employers were presented by: **Lyudmila Vasilega**, director of the Center for Competences and Human Capital Development of the Federation of Employers of Ukraine; **Valentina Radkevich**, director of the Institute of Professional Education of the National Academy of Pedagogical Sciences of Ukraine; **Lyudmila Novak**, director of corporate relations of the company "Interpipe"; **Lilia Khizhnyak**, head of the personnel development bureau of PJSC "Central Mining and Processing Plant"; **Victoria Kuznetsova**, director of the Dnipropetrovsk regional employment center. In particular, in his speech **Valentina Radkevich** revealed the peculiarities of scientific and methodological support for the development of dual form of

- communication with selected authorized users, administrators, editors via internal chat (message / notification center);
- viewing requests (from interested parties: authorized users, administrators, editors).

Thank you for your attention!

but it's not the end of the matter

Co-funded by the
Erasmus+ Programme
of the European Union

Let's discuss

1. The web platform Partner Space “015” is:

-  – a website of a public association
-  – information and service platform
-  – social network
-  – database of educational products
-  – exchange of educational services

The web-platform Partner Space “015” is a public, free, flexible system that is constantly updated by representatives of institutions and educational institutions that have signed a memorandum of cooperation with the Ministry of Education and Science of Ukraine and the Institute of Vocational Education NAES of Ukraine

Co-funded by the
Erasmus+ Programme
of the European Union

2. Web platform Partner Space “015”, aimed at:

- popularization of professional (vocational) education institutions
- creating conditions for professional development of teachers and exchange of experience
- ensuring communication between students, teachers and stakeholders
- involvement of stakeholders in the management of educational activities
- organization of student self-government
- implementation of mechanisms for stakeholder interaction in the training of teachers of professional (vocational) education institutions

The web-platform Partner Space “015” is an information and service platform that provides teachers, students of educational institutions with comprehensive and up-to-date data on: grants; projects; trainings; internships and advanced training courses for teachers; places of pedagogical and industrial practice for students; employment in the specialty for graduates of higher education institutions and more.

3. Can an individual person download information on the Web Platform Partner Space “015”?

- yes
- yes, if you are an authorized user
- no, except for uploading information on the FORUM
- no

Regardless of the status of authorization on the platform, individual users do not have the right to post information on the pages of the platform. The web-platform Partner Space “015” is used as an information and service.

4. Can a representative of an educational institution or stakeholder`s institution upload information on the Web Platform Partner Space “015”?

- yes
- yes, after signing a memorandum and obtaining administrator rights
- no, only add information to the NEWS section
- no

After signing the "MEMORANDUM OF COOPERATION ON OPEN DATA ON THE WEB PLATFORM PARTNER SPACE “015”

the representative of the institution gets access to the duties of the administrator with full management of accounts and roles of editors and authorized users

5. Stages of joining the Web Platform Partner Space “015”:

-  - communication with the super-administrator through the FORUM with the subsequent receipt of administrator rights
-  - filling out a memorandum, communication with the super-administrator, obtaining administrator rights with full access to the platform pages
-  - authorization on the platform with obtaining editor rights

After signing the "MEMORANDUM OF COOPERATION ON OPEN DATA ON THE WEB PLATFORM PARTNER SPACE “015”

the representative of the institution gets access to the duties of the administrator with full management of accounts and roles of editors and authorized users

6. Choose an effective way to disseminate information about the Web Platform "Partner Space 015"

- social networks
- web mailing
- individual emailing of heads of institutions and departments with an invitation to join the web platform
- conducting trainings, round tables to highlight the capabilities of the web platform
- holding an all-Ukrainian web seminar to promote the web platform
- use of administrative levers of the MESU to attract active administrators of the platform
